

DEVELOPING AFRICA'S GREY MATTER INFRASTRUCTURE: ADDRESSING AFRICA'S NUTRITION CHALLENGES

Date: 24 May 2017

**Venue: Mahatma Mandir Exhibition
Convention Center Gandhinagar,
Ahmedabad, Gujarat**

The African Development Bank President, Dr. Akinwumi Adesina hosted the side event on nutrition: “Developing Africa’s Grey Matter Infrastructure: Addressing Africa’s Nutrition Challenges” at the Bank’s Annual Meetings held in Ahmedabad, India. This in line with the African Leaders for Nutrition Initiative (ALN). President Adesina called for High Level African Leadership and Results to achieve better Nutrition outcomes. He is called upon all African Leaders and Ministers of Finance to join him in making the “grey matter infrastructure,” an investment priority for inclusive, transformative and sustainable growth on the continent. President Adesina and the ALN Champions engaged with the participants to better coordinate agriculture growth and nutrition outcomes including the private sector through the agribusiness agenda. This was in line with the theme of the Annual Meetings “Transforming agriculture for wealth creation in Africa”.
